- ◇ Live CAREfully -Jerry Traylor, Motivational Speaker

“Jerry Traylor will challenge us to look within in discovering the incredible abilities which we all possess. Each of us are capable of touching our world in a positive manner, if we look beyond what most see, if we look in our hearts and souls rather than looking in the mirror. Our individual uniqueness need not be a burden which binds us. It should be a key to greatness. Jerry shares a pictorial essay of his successful run across America and incredible journey through life!”
