YOUR GIFT
ARIZONA’S FUTURE
Endowment Fund
AACo FOUNDATION
Arizona’s county governments provide essential services that millions of people in our state count on every day. From public safety, transportation and the courts, to elections, public health, and property record management - Arizona’s counties are crucial for residents.

It is vital that we identify and nurture those that will serve as the Next Generation Local Leaders.

Since 1968 the Arizona Association of Counties has worked to improve the public understanding of county government and with your help that spirit can expand as we create scholarships to help those interested in county service.
Our Belief

Local government is the closest to the people and a qualified, passionate workforce for Arizona’s counties moving forward will ensure that local economies remain strong. Counties need leaders in all departments: healthcare, criminal justice, transportation, engineering, public finance, and so many more - let’s help these future leaders go to college.
GIVING IS UNIQUELY REWARDING
As a nonprofit organization, the AACo Foundation is working to establish a $2 million Endowment Fund that will provide scholarships for students that express an interest in county service. These “Next Generation Local Leaders” scholarships will be offered to 5 students per year, in the amount of $2,000 per year for each of the four years of their undergraduate education.

GIVING IS PERSONAL
The decision to make a charitable gift, whether from an individual or a corporation, is often a choice based on core values and priorities. The AACo Foundation recognizes that no two gifts are exactly the same. Through a deliberate and personal process the AACo Foundation will work with you to create a giving opportunity that adheres to your core values, whether it is a one-time gift of $20 or a yearly $10,000 gift.

GIVING IS TRUSTWORTHY
The AACo Foundation takes seriously the trust our donors place in us. Gifts to the Endowment Fund are never spent. The principle funds are kept and invested to generate income and allow the Foundation to offer scholarships in perpetuity.
The AACo Foundation is a nonprofit organization committed to the development of timely, accessible and challenging educational advancement of Arizona’s current and future community leaders - and with your help, we’ll always be able to help.
